All:

A few of you have noticed that we don't have a separate entry for the 2023 rulebook.

There were no rule changes in 2023, so the 2022 rulebook is still valid. The rulebook will be updated for the 2024 rally season.

The menu option has been updated to read "Rulebook 2022/2023" for clarity.

Thanks for understanding!
